

# WELCOME at Cho Fah eathai

Cho Fah... about the kitchen, the menu and our team

**THE MENU OF CHO FAH** is divided into several sections. You will find traditional and famous Thai dishes on our menu such as the Curries and Stir-fry dishes. But we would also like to introduce to you some less familiar dishes such as the meal salads and our very own unique tom sab soup.

Of course you are welcome to order a solo main dish for a fast, tasty and nutritious meal or... set off on an adventure by composing your own meal with a combo appetizer, a soup or a side dish salad, all accompanied with fragrant rice for example.

**IT IS THAI CUSTOM** to serve all dishes at the same time and for example eat the soup along with the rest, alternating between dishes. Would you like to try this? Just let us know and of course we'll be happy to oblige.

**DO YOU WANT IT REAL SIMPLE AND EASY?** Let us handle your true Thai experience and indulge in one of our set menus.

Classic Thai menus served in courses or Special menus from the I-Saan province.

### Nice to know

Our restaurant is named after the Cho Fah, an ornament in the form of a mystical bird that you will find on the roof of every Thai temple. With its upward posture the bird symbolises a positive and optimistic approach to life.

**WITH THE I-SAAN MENU** all dishes will be served simultaneously. I-Saan is the North Eastern province of Thailand which is recognised as the most appreciated culinary region of Thailand. It is no coincidence that both our lady-chef Jene and your hostess Oranit originate from this region.

You will find small stars behind a number of menu items. No star means it's a mild dish, \* means lightly spiced, \*\* spicy, \*\*\* is for the experienced spice eater. Naturally all dishes can be made more or less spicy to suit your taste preference, just let us know how you like it.

มังสวิวัต = Vega

Whatever the culinary adventure you choose, we wish you a very pleasant visit at Cho Fah.
